Lions Club Installs Officers; Plan Celebration in August

At the meeting of the Didsbury Lions Club on Thursday evening, June 5th, the following officers for 1947-48 were installed:

President, E.T. Wiggins.
Immediate Past President, S.J. Gilson.

1st Vice President, Len Berscht.
2nd Vice President, Chris Flanagan.

Secretary, H. Lynch-Staunton.
Treasurer, Fred Evans.
Lion Tamer, Frank Kaufman.
Tall Twister, Bert Prevost.

Directors: Ed Klink, Dale Kimm, Mel, Chub Scott, Jim Calthness.

Two members of the Agricultural Society, Mr. Bruce Parker and Mr. Sid O'Brien, were present as guests of the club. In the discussion at the meeting it was decided to assist the Agricultural Society with the building of new barns for horses at the Fair grounds. Plans were discussed for the improvement of the road to the grounds and for the levelling and seeding of new acreage added to the Fair grounds last year.

Another topic under discussion was the preparation of a float to be entered in the Calgary Stampede parade representative of the Didsbury community. It was decided that the Lions Club would sponsor the construction of the float with assistance from other local sources. Bill McFarquhar is the chairman of the committee in charge of the arrangements.

A joint committee representative of the Legion and the Lions Club is being formed to supervise the covered rink project. This committee will be named soon and you will be hearing more about the project in a short time.

SUMMER JUBILEE

The Lions Club committees for the Summer Jubilee celebration are as follows:

Advertising—Len Berscht, Jack Mooney, Jim McCulloch, Howard Halliday, Bill McFarquhar and Ed Wiggins.

Queen Election—Art Reiber, Ed Klink, Dale Kimm and Clint Reiber.

Old Timers—Bill McFarquhar, Roy McArthur and Wayne Stauffer.
Sports—Races—Jim Calthness, John Folkman and Jim McCulloch; Baseball: Jack McCloy, Ed Ford, Chub Scott and Jim Glockzin; Midway: Bert Prevost, Len Berscht, Ernie Clarke, Irvin Klein, Jake Glaum, Ed Watkin and A.D. Snyder.

Refreshments—Howard Halliday, Sam Krueger, Dave Walder, Tom Morris and George Law.

Grounds Committee—Fred Evans, Chris Flanagan, Fay Nichol, Reid Clarke, Sid Gilson, Bill McCoy and H. Lynch-Staunton.

Parade Committee—Bill Payne, Frank Kaufman, Walter Fulkert, Ed Grange and Paul Brinton.
Prize Committee—To consist of chairmen of other committees.

DIDSBURY LADIES LOSE TO WESTCOTT MIXED TEAM

Rain during last week forced the cancellation of the regular league fixture between Didsbury and Innisfail after the local team had made the trip to the northern town.

On Thursday evening the Didsbury ladies played hosts to the Westcott mixed school team but the visitors proved to be too strong for the fair sex. Outstanding player of the evening was Marjorie Goetjen, first baseman for the visitors.

The Didsbury aggregation were without the services of their regular catcher, Jean Wilson, and her absence was decidedly noticeable. Agnes Reimer and Gladys Luft made spectacular catches in the field to draw applause from the large crowd that was on hand to see the game.

This coming Thursday, June 10, the locals play at Crossfield, weather permitting.

WESTCOTT NEWS NOTES

Correction, please! In the ball game with Elkton recently the Westcott pupils won the game 21-7. Not Elkton, as was stated in this column last week (Sorry, kids).

The Westcott pupils played their second game last Thursday evening with the Didsbury girls and won by a score of 33-17.

Congratulations to the Rugby pupils on making such a good showing at the track meet at Hartmann last Friday.

Mr. Herbert Papke of Big Prairie is a guest at the home of his sister, Mrs. Herbert Goetjen, for a few days this week while recuperating from an accident earlier this spring.

Mrs. Swallow was Calgary visitor this week end.

Mr. and Mrs. Herbert Goetjen and family spent Sunday afternoon at the home of Mr. and Mrs. R.J. Goetjen, Carstairs.

We received a real drenching of rain over the week end and most of the school pupils which had been particularly looked forward to by the Guides as a hike had been planned and had to be cancelled along with other holiday activities.

We were pleased to see last Saturday Mrs. L. Laeischer and son Arthur of Westcott (formerly Freda Snyder) and one-time resident of Westcott, visiting relatives in the Didsbury district.

Miss Marion Robinson, R.N., who has been Senior Health Nurse at the Rosebud Health Clinic for the past year, and who is to be married the latter part of June, left Monday to spend a few days at her home north of Edmonton.

A. F. U. NOTES

At the last meeting of the Rugby A.F.U. Local arrangements were made to celebrate the Farmers' Holiday (Saturday, June 21). A picnic will be held at Melvin Hall on that date. Every family will bring their own lunch, to be pooled and served at 12:30 (Coffee will be supplied). A booth will supply soft drinks, etc. There will be fun for all ball games, races, etc., so make it a date. Everybody welcome and no admission will be charged.

FALLEN TIMBER NOTES

Fifteen members and one visitor were present at the meeting of the Busy Bees held at the home of Mrs. W. Monney on June 4th. Roll call was answered by a thumb-nail sketch of the life of some important personage. After the business meeting a delicious lunch was served by the congeners, Mrs. McMullen and Mrs. Dick.

Mr. and Mrs. J. Teynor and Mr. and Mrs. R. Teynor left for home in a truck and arrived there in a covered wagon.

Little Gary Moore is visiting his uncle and aunt, Mr. and Mrs. J. Howton.

Miss Beth Mellon of Calgary is a guest in the home of Mr. and Mrs. McMullen. She expects to visit a number of old friends while in the district.

Mr. and Mrs. J. Teynor and Mr. and Mrs. R. Teynor were Didsbury visitors on Monday. On their way home from town Joe had the misfortune to break a drive shaft on his truck. Mr. Whittle was kind enough to take them the rest of the way home.

Mr. Al Moore looked over the Burna Road, especially the part by Fair's. He expects to have a Caterpillar and Laturne busy on it this week.

Joe Teynor and family went to Calgary Friday and brought home a new blue Jeep.

Mr. Bennie Teynor has been bounding up his horses. He says he had fifty seven in his corral last Saturday.

OPEN HOUSE AT DIDSBURY HIGH SCHOOL SHOP

"Open House" will be held at the Didsbury High School Work Shop on Friday afternoon, June 13th, from 2 o'clock on. Parents and anyone else interested in the work being done by the boys are invited to attend and look over the display of shop work and see the boys under actual working conditions.

Chris Flanagan, who is in charge of the local school shop, has advised that tea will be served to the visitors—and it will be free!

Ask Public Works Dept. For Additional Grant

All councillors were present at the regular meeting of the Council of the Municipal District of Mountain View, held in Didsbury on Monday, June 9th and the Council adopted the Rosebud Health Unit schedule which included a requisition of \$5,071.48 for the municipality.

A communication from the Board of Public Utility Commissioners advising that a small area adjacent to the Town of Olds, including the hospital site, had been included in the town limits, was tabled.

Approval was given to one Soldiers' Tax Exemption for home property, and the sale of one bay mare was reported by poundkeeper C.E. Dickson.

First and second readings were given to a by-law for the sale of the N.W. of 32-33-4-5, pursuant to the Tax Recovery Act. Third reading was given to a by-law providing for the sale of the N.W. of 36-32-4-5.

A communication was received from the Department of Public Works approving the locations for expenditures of the \$20,000 capital road grant, as asked for by the municipality.

A communication from the minister of public works advised that the Department is prepared to grant an additional \$5,000 to be used on the Cremona road under certain conditions. Grading has commenced on this road and an additional grading crew has been hired to speed up the work.

The Secretary was instructed to

CHILL ROOM BEING ADDED TO NEAPOLIS CHEESE FACTORY

The Neapolis Co-operative Dairy Association has commenced the building of an addition to the cheese factory, ten miles east of Didsbury, and when completed the new part will be used as a "chill room" to store the newly manufactured cheese until it is seasoned sufficiently to be sold on the open market.

The new chill room will be completely equipped with a modern refrigeration plant, and it is hoped to have this plant in operation this coming summer.

RUGBY WINS SHIELD AT HARMATTAN TRACK MEET

On Friday, June 6, five rural schools held a "Track Meet" at Hartmann hall grounds. The schools taking part were Zella, Hainstock, Senior and Junior rooms at Hartmann, Rudy and Westdale.

The weather was ideal and there was a good crowd present, all schools being well represented. The competition was keen, there being many entries in all classes of running and jumping events.

The final ball game between Hartmann and Rugby created plenty of excitement. The game was close and resulted in a win for Hartmann by a 11-10 score.

Rugby school was the winner of the day's events, chalking up 123 points to their credit. Hartmann came second with 99 points for each room. Westdale was third, and Zella and Hainstock were tied for fourth place.

Rugby will get the shield for 1947, and much credit goes to the children and to Mr. Hawrelak, the teacher, who coached the pupils so well in their sports.

SPRAY GOLF COURSE TO KILL DANDELIONS, WEEDS

The Didsbury Golf Course was sprayed last week with liquid "Weed-No-More-40" by the local agents, McFarquhar and Kimmel, and from all reports the new 2-4-D preparation is doing a real job in eradicating the course from this despoiled weed.

The machine used takes a mixture of 4 gallons to the acre and it is claimed that dandelions should be killed in about three weeks time.

The Didsbury cemetery was also sprayed with Weed-No-More-40.

Among those from Didsbury taking the Toronto Conservatory of Music Examinations at Olds Tuesday were: Alta Mae and Edward Ole, Doreen Westfall, Helen and Opal Swalm, Marion Eby and Owen Bittner.

WESTCOTT W.I. ENTERTAIN THE GRANDMOTHERS

The May meeting of the Westcott W.I. was held at the home of Mrs. W. Owens on Thursday, June 5, with 15 members and 12 visitors present.

After a short business session during which Mrs. C. Eckstrand was named delegate to the conference being held in Didsbury June 23, the rest of the afternoon was spent in entertaining the grandmothers.

The entertainment commenced with the reading of a lengthy poem about grandmothers, composed by Mrs. J. Hughes and read by Mrs. Alex Robertson. Corsages made by Mrs. Gordon Ford were then pinned on each of the grandmothers present. A contest on the names of songs written thirty or more years ago followed, and recitations were then given by Joan Owens and Beverly Eckstrand.

Each grandmother was asked to give her maiden name, number of years of married life, and to relate some of their experiences on their wedding days. The latter provided many a good laugh.

The educational talk was given by Mrs. Ed Klink, her topic being "The Origin of Mother's Day." There was also a poem about Mother, and a short paper on the modern mothers compared with the mothers of a past generation.

Solos, "Dear Old Grandma," and "Be Kind To Granny," were rendered by Mrs. MacDonald and Mrs. MacFarlane respectively.

A short song followed, with a parody on the tune Jingle Bells being sung about "Grandma's Welcome." Jack Robertson wrote the words for the parody.

The bit of fun was taken by Mrs. Levagood. This was followed, by a contest in which those present had to make a grandmother out of bits of crepe paper, thread and clothes pins. Mrs. W. Hughes was the winner, with Mrs. L. Ray 2nd, and Mrs. J. Hughes 3rd.

A duet, "The Second Minute," was sung by Mrs. Klink and Mrs. Eckstrand.

The highlight of the afternoon was this duet acted out by Mrs. A. Robertson as an old-fashioned lady (bustle and all), and Mrs. S. Owens as the gent. Music was supplied by Mrs. Owens on the violin. It was a grand performance and thoroughly enjoyed by all.

The entertainment closed with the presentation of prizes to Mrs. Murphy as oldest grandmother, Mrs. L. Ray as youngest grandmother, and to Mrs. Murphy for having the most grandchildren and great grandchildren. Mrs. Murphy gave a short speech after receiving her gifts. All of the gifts presented were home made.

God Save The King and lunch brought a grand afternoon to a close.

The next meeting will be held on June 26, at the home of Mrs. A. Robertson.

WALTHER LEAGUE MEETS AT D. REINHARDT HOME

The Walther League of Redeemer Lutheran Church assembled on Tuesday evening, June 3, at the home of Mr. and Mrs. D. Reinhardt for their regular meeting. A winter roast had been planned, but because of unfavorable weather the meeting was held indoors.

Since this year is the 54th anniversary of the Walther League, a topic entitled "My Church and My League" was discussed. It was seen that in the Missouri Synod there are over 3,000 such leagues with over 100,000 members in Canada and the United States. These leagues are under the supervision of the congregation whose society holds membership in the International League. The ultimate aim of the League is to be a servant of the congregation, especially in taking care of the youth of the Church.

After some business a number of games were enjoyed. The meeting closed with a tasty lunch served by the hostess' family. In all some 20 Leaguers were present.

The week of June 16 to 21 is Red Cross Enrollment Week in Alberta and the Executive of the Didsbury Branch, at a meeting Friday night, completed plans for the enrolment of Red Cross blood donors in Didsbury and District.

Art Reiber is chairman of the Blood Donor Enrollment Committee, and other members are: Mrs. C.S. Mortimer, Kenneth Burns, W. H. Payne, J.H. Robertson, E. Cogswell, G.A. Youngs and Garnet Tighe.

The Didsbury Lions Club and the Didsbury Branch of the Canadian Legion have both consented to wholeheartedly co-operate in the registration of Blood Donors. The Lions Club has arranged with its members who are business men in town, to have in their stores or places of business, registration blanks where the people may call and register during business hours. The Legion is appealing to its members to enlist in this very worthy object, to register as Blood Donors and to encourage others to do so. The Churches are also being appealed to, and it is assured that Didsbury and the surrounding district will go over the top in this campaign for life blood to help bring our fellow men back to health and save many lives.

Country people are urged to complete the registration forms when in town, and thus save considerable time during this busy season.

Citizens are reminded that the enrolment of blood donors during the week of June 16-21 is only a pledge to donate blood when the mobile unit visits Didsbury this coming fall. At the present time you only have to sign and intention to donate blood and by doing so now you will make it easier for the Blood Donor Mobile Clinic to operate when it visits Didsbury—possibly in November.

FISH AND GAME ASS'N ASKS CONTINUANCE OF COYOTE BOUNTY

At the regular meeting of the Didsbury Fish and Game Association on Monday night, E. Grange, chairman of the Predatory Control committee, reported that up to Saturday night 1884 pairs of crow and magpie feet had been turned in. Ken Holmquist has turned in the most feet so far with 298 pairs. Roy Smallwood is second with 258 pairs and Raymond Fulkert third with 202 pairs of feet.

The meeting passed a resolution favoring the continuance of the bounty on coyotes, along with the previous plan to employ coyote hunters this year.

It was reported that the Olds Fish and Game Association favored a proposed plan to trap the large Loch Leven trout in Eagle Lake at the head of the James and send them to a Calgary hatchery to be stripped of eggs. Eagle Lake, along with Rainy Lake and Haney Lake, will then be stocked with Rainbow trout if the proposed plan is carried out by the Fisheries Department.

The date of the annual picnic of the Olds, Innisfail and Didsbury associations has been set for July 27, and plans will be made shortly at a joint meeting of the executives of the three organizations for a real day of sport, at which 3,000 or more people are expected to be present.

The meeting passed a resolution protesting the proposed plan to make a special game preserve along the Little Red Deer river between the Sundre highway and Cremona.

Owing to holiday season the next meeting of the Fish and Game Association will not be held until the second Monday in September.

Mr. and Mrs. Russell Berscht and family of Innisfail were Didsbury visitors last Wednesday.

Mrs. J. Garner and Mrs. Ray Lantz represented St. Hilda's Chapter No. 27, O.E.S. at the Grand Chapter session held in Banff last week. They returned to Didsbury Saturday.

MELVIN NEWS NOTES

Mr. and Mrs. Frank Kynel and son Boyd of Coleman spent the holiday week end with the former's parents at Elkton and visited with friends in the Melvin district on Sunday. Frank was in Calgary last week to attend the Elks convention.

Mr. and Mrs. R. Youngs were Calgary visitors last Thursday.

Mrs. Ada Vetter was a week end visitor at the Johnston home. Mrs. Johnston's condition continues to be critical.

Since Technical school is out, Allan Chandler has taken a position for the summer on his aunt's farm in Peace River district.

Mr. and Mrs. A.L. Hoag left Thursday for a three months' visit at the Pacific coast.

H. Morgan returned Friday from Edmonton where he attended the annual convention of the Alberta branch of the Canadian Postmaster's Association. Mr. Morgan, a past president of the Association, was re-elected a member of the executive committee.

RUGBY W.I. PREPARES FOR CONSTITUENCY MEETING

The June meeting of the Rugby W.I. was held at the home of Mrs. Cowitz, with an attendance of 13. As the Constituency Conference is being held in Didsbury on June 23, all arrangements were made concerning lunch, handicraft exhibits, etc., to be entered by this branch. Mrs. Wahl is in charge of the handicrafts and it is hoped there will be a good attendance from Rugby.

The Citizenship convener, Mrs. Alex Blain, gave an interesting paper on "The Flag," and Mrs. H. Hoesgood gave a full report of the Provincial W.I. Convention held in Calgary.

The gathering closed with the National Anthem and lunch followed.

The July meeting will be held at the home of the Secretary, Mrs. J. Hoesgood.

OFFER YOUR BLOOD —

Next week is Red Cross Blood Donor Week in Alberta—and in Didsbury and district—and everyone who is able to do so is asked to enrol, or pledge a donation of blood to the Red Cross when the mobile clinic visits Didsbury this summer.

The purpose of the Red Cross Blood "bank" is to provide a constant supply of fresh blood, free of charge, to all hospitals in Alberta, to be used in emergent cases. Municipal Hospital has been advised that it will be among the institutions receiving weekly supplies of blood when the Red Cross distributing centres have been established.

Think what it will mean to Didsbury and district citizens who may be patients in our local hospital and who may need immediate blood transfusions to save their lives—or it may be your own life.

The Red Cross Blood Donor Week is making it possible for you to pledge some of your blood now, to be used in needy cases in the future. Be sure you help the cause along—enrol now!

FAREWELL FOR COGSWELLS

On Friday evening some eighty friends and neighbors of the Cogswell family gathered at the Zella school to bid them farewell. The evening was spent in playing soft ball, games and a sing song. The family was presented with a purse of silver with Mr. Ed Craig making the presentation on behalf of those

present. Cogswells are leaving shortly to take up residence in one of the Gilmore houses in Didsbury.

DIDSBURY HOSPITAL BIRTHS

Born at the Didsbury Hospital on Wednesday, June 4th, to Mr. and Mrs. Chris Flanagan, a daughter. To Mr. and Mrs. Kenneth R. Brown on Wednesday, June 4th, twin daughters.

BURNSIDE NEWS NOTES

Mr. and Mrs. Alfe Thompson were Calgary visitors for a few days last week.

Miss Florence Cullen underwent an appendix operation in the Didsbury hospital last week and the district residents wish her a speedy recovery.

Mrs. Arthur Charlton spent a few days with her son, Morris, and family.

There is to be a dance in the Lone Pine hall on June 20th for the newly weds, Mr. and Mrs. M.S. Page.

Last Tuesday Ivor Weber moved Mr. and Mrs. Joe Clarke and their household effects to their new home in Calgary.

Bob Jones is in the Didsbury hospital where he underwent a major operation and his neighbors acted as good Samaritans and finished the seeding of his crop.

A MOTHER may die unless You give blood

Of all Canadian women who die in childbirth, every fourth mother dies of hemorrhage. Three-quarters of these mothers can be saved . . . with but a small gift from you.

A great new civilian Blood Transfusion Service has been opened by the Canadian Red Cross. This Service will supply hospital patients across Canada with whole blood and plasma . . . FREE . . . not even a Hospital Service charge, to be used for life-saving transfusions.

Volunteer donors are urgently needed to build up the blood bank. After you register you will be asked to donate blood only two or three times a year. And each time you donate, you help save someone's life and restore that person to friends and loved ones.

Contact your local Red Cross Branch or Clinic and tell them—"Yes, please enroll me as a blood donor. I want to give blood to save someone's life!"

Red Cross President Endorses Blood Plan

As President of the Didsbury and District Branch of the Red Cross Society, I am happy to have this opportunity of commending to all the people of Didsbury and district, and especially those between the ages of 18 and 65, the very wonderful project of the Society to make available to our hospitals whole blood and plasma for transfusion purposes.

We all agree that blood should not be bought or sold as a commercial commodity, for it represents the free gift of one man to another in order that human life may be saved.

Adequate transfusion facilities mean that illnesses, previously rated as hopeless, can be cured, "inoperable conditions" can be made safe for surgery, several diseases of infancy, once incurable, can be successfully treated.

May I appeal to the people of Didsbury and district, to the Churches, the fraternal and service clubs, the farmers' organizations and the women's organizations to unite in making Donor Week, June 15th to 21st, a very big success, and worthy of our good name in all appeals for help for the sick and suffering.

Donor Week is the week for registration of those who are willing to donate a little blood when the Mobile Clinic comes to Didsbury. It is expected that there will be two visits annually, in the Fall and in the Spring.

Thanking you all in anticipation of your kindly and whole hearted support to this most worthy appeal.

REV. D. WHYTE SMITH,
President, Didsbury and District Branch, Red Cross Society.

BRITAIN'S 3,000 H.P. WORLD RECORD SPEED BOAT

It was recently mentioned that Sir Malcolm Campbell's world-record speed boat "Blue Bird" required certain structural alterations before the attempt be made on the world record. It is now learned that the tests with the De Havilland jet engine have been completed and great results are expected. Sir Malcolm's earlier record speed of 141.7 miles per hour was achieved with a 1,900 h.p. Rolls-Royce piston engine. The new jet engine produced 3,000 h.p., a force never before considered for so tiny a craft.

Every day in every way
people are praising
CHEVROLET

IS IT any wonder that the demand for the 1947 Chevrolet far exceeds production. Each day's mail brings us letters from every part of the Dominion—letters that tell a stirring story of the deep and abiding satisfaction lucky owners are deriving from their new Chevrolets. Individually the letters praise a remarkable variety of Chevrolet features. Collectively they all add up to one impressive truth—only Chevrolet offers Big-Car Quality at Low Cost.

● The growing demand for the new Chevrolet is setting an all-time record. We cannot hope for many months to fill all the orders pouring in. If you are among the many who have set your sights on Chevrolet's Big Car Quality at Low Cost, we suggest that while you wait, you rely on your Chevrolet Dealer's service to keep your present car running smoothly and safely.

*Excerpts from actual letters
on file at General Motors dealers
across Canada.

CHEVROLET
A PRODUCT OF
GENERAL MOTORS

C-478

"Most of my driving is through heavy traf-

ic and maneuvering into small parking spaces. Therefore I am very much impressed with the ease of handling made possible by the vacuum power gear shift. With a bit of the finger I am able to shift from one speed to another."

C. W. Topley,
Montreal, P.Q.

"Of course the motor is much more powerful than any preceding Chevrolet—and we have had four, one each in 1937, 1940, 1941, and 1942—but what appeals to us most is the ease of riding. We have made over 25,000 miles, or, in other words, 120 miles per day."

R. L. Gale,
Waterloo, P.Q.

"It is the opinion of both myself and wife that one of the most superior qualities of our 1947 Chevrolet is the ease of handling. We do not hesitate to endorse it as a most valuable family car."

J. E. Simpson,
Winnipeg, Man.

"In all my years of driving I have never been so satisfied with a car as I am with this one. The smooth way it pulls away, the ease of handling, the steady sureness of the brakes, combined with the big car appearance of the Fisher body, convinces me that I have again received full value in my Chevrolet."

John H. Jordine,
Toronto, Ontario

"I have never driven a car that has been so free of trouble, or in which I have had so much confidence as this new Chevrolet."

John E. Lindsey,
Halifax, N.S.

"The riding quality of the Chevrolet is almost a blessing inasmuch as its steadiness and ability to cling to the road greatly diminish driver's fatigue and make its owner glad of his choice."

Paul A. Côté,
Quebec, P.Q.

"As the Chevrolet is sold in the low-priced riding enjoyment, but to my pleasure, I found all the advantages for which high-priced cars are noted. This is especially true on rough roads, where the Chevrolet gives you perfect control when it hits ruts, potholes or washboards."

A. G. Holmes,
Lethbridge, Alta.

"I am a traveller... and cover many thousands of miles a year over the worst of Alberta's bad roads. With my new 1947 Chevrolet I get unbelievable comfort in driving, and trips that formerly lasted an eternity are now a pleasure."

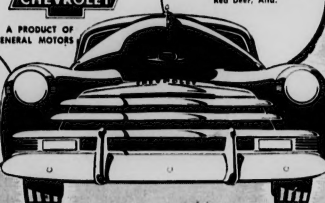

J. M. Budd,
Edmonton, Alta.

"This being my fourth Chevrolet purchased from you, I feel that after driving nearly 5,000 miles in this car, I am in a position to say that the efficiency and comfort of operation has more than exceeded my expectations."

W. J. Bell,
Toronto, Ontario

"I am so pleased with my new Chevrolet I could write a book on it. . . . Chevrolet's new 90 H.P. overhead valve motor gives the greatest performance of any car in its price class on the road."

C. Earl Piper,
Fort William, Ontario

FORTIFY COW'S MILK FOR NEW BORN PIGS

Frequently prolific sows farrow more pigs than they can nurse efficiently. On the other hand, sows occasionally fail to produce sufficient milk for a small litter. The death rate among undernourished hand suckling pigs is usually high, but losses can be reduced or avoided by hand feeding, says the Dominion Experimental Farm at Brandon, Man. A child's feeding bottle may be used for the first few feedings but hungry little pigs soon learn to

drink from a shallow dish. Cow's milk contains less protein and less fat than sow's milk, and additions should be made to whole milk to make it suitable for very young pigs. A mixture of three parts of whole milk, two fresh eggs, a teaspoonful of cod liver oil or pilchard oil, and a quarter teaspoonful of salt is satisfactory for hand feeding. New born pigs should be fed at intervals of two or three hours during the first few days. The mixture should be given at blood temperature and it is important that the feeding trough and utensils be kept clean.

ZELLA NEWS ITEMS

Miss Marie Toppin of Calgary was week end visitor at her home.

The first ball meeting was held at the school last Wednesday. It was decided to form a softball team and anyone interested is invited to come. In future ball practice will be held every Wednesday night.

A party of six, Mr. and Mrs. Arthur Waldroff, Mr. Hugh Dunlop, Mrs. Wilho Jakobs, Betty Broadhurst, and Edward Waldroff, motored to Calgary to attend Shirriffs Fun Parade. They report a really grand time.

Miss Mildred Jahnie was also a Calgary visitor to attend the Fun Parade.

Mr. and Mrs. Ken Waldroff and family of Red Deer were Sunday visitors at the Waldroff home.

Fourteen ladies of the district gathered at the home of Mrs. Arthur Waldroff last Monday with Mrs. Cogswell and Jean as guests of honor. Mrs. Cogswell, who has been president of the Zella Red Cross group for the past four years, was presented with a pyrex double boiler on behalf of the members, and Jean received two matching vases.

Congratulations are extended to Mr. and Mrs. Johnny Sanderman on the birth of a daughter.

FUNCTIONS OF FOOD

Food, say the nutritionists, has three general uses—it supplies fuel for heat and motion, material for building and body-repair, and substances for regulating body processes.

In addition, food has many special uses within the body. Edibles which supply many of the materials our bodies need are called the "protective foods". Nutrition authorities advise Canadians to learn what these essential foods are, and to include them in their diet regularly.

POWER TO EARN

Federal health authorities have adopted the slogan "Health is earning power" in many posters and other types of health education material. They point out that, no matter how Canadians earn their daily bread, success will come easier if there is health behind it.

Health provides the power to enable people to earn, they remind the Canadian public, and conservation of health is, therefore, important to the attainment of any goal.

About a quarter of a million British people raise rabbits, producing at least 120 tons of meat weekly according to a London survey.

Some fellows stay right in the rut.

All men may be born equal, but
They don't stay that way long.
There is many a man, with a gallant

Walther League Play Draws Capacity Crowd

The Walther League of Redeemer Lutheran Church, Didsbury, presented the play, "An Old Fashioned Mother," last Friday, June 6, to a capacity audience at the Didsbury Opera Theatre. This play, a three act parable of a mother's love triumphant over the ingratitude and neglect of her children, revolves around Aunt Deborah Underhill.

Aunt Deborah, a blessed Saint in Israel, is a widow and mother of four boys and two girls. All of the children, having married, have moved away from the old home with the exception of John and Charley. John, the youngest and the idol of the mother, being led astray by his evil companions, is falsely accused of trying to shoot a man and is taken to prison. While in prison his older brother, Charley, gets married to Isabel Simpson, but his young wife is tired of country life and urges Charley to move to the city, where he could do much better. John therefore urges his mother to mortgage the old home place so that he can have money for a start. When the mortgage falls due none of the children want to help the mother. John, however, has been released from prison when the actual criminal confessed. An outcast with a prison record, he sneaks home, and while there receives help from Enoch Rone, a tramp whom he once befriended. With the thought of his mother's love in his heart, he makes a man of himself and returns to buy back the farm and thus prevents his mother from going over the hill to the poor house. The whole play was enlivened by the actions of Jeremiah Gosling, a merry heart, whose one desire seems to be to swap anything and everything he has or sees. Brother Quackenbush, a whited sepulchre, and Miss Lowitz Loving Custard, a spinster and gossip of the town, present a lively scene when Brother Quackenbush proposes to Miss Custard under the impression that she has fallen into considerable money.

The cast of the play was composed entirely of local young people under the direction of Rev. E.B. Fox, Pastor of Redeemer Lutheran Church. The casts and parts played by them was as follows: Enoch Reinhardt (Aunt Deborah Underhill), Jean Krebs (Widder Bill Pindle), Norma Scheuer (Sukey Pindle), Alvina Jans (Miss Lowitz Loving Custard), Doreen Korschuch (Isabel Simpson), Maria J. Korschuch (Gloriana Perkins), Erhard Reinhardt (John Underhill), Werner Reinhardt (Charley Underhill), Karl Reese (Brother Quackenbush), Kenneth Ester (Jeremiah Gosling), Oscar Reinhardt (Enoch Rone), John Folkman Jr. (Quintus Todd), and the village choir was composed of Mildred Artman, Olga Walders, Mrs. E. Fox, Walter Artman, Arthur Jans and Earl Scheuer.

During the first intermission, three of the Reinhardt children, Lilly, Betty and Dorothy, sang a song entitled "Spring," and during the second intermission Karl Reese gave a monologue on his mother-in-law entitled "Me and Mine." The entire cast will go to Trochu on Friday, June 13, to present the play at the Legion Hall.

WEDDINGS

HAUG—HOLMES

The marriage of Ferrel May Holmes, daughter of Mr. and Mrs. Ira Gamble, and Trygve Haug, son of Mr. John Haug, was solemnized at the M.B.C. Church, Bergen on Tuesday, June 3rd. Rev. D. Whyte Smith officiated at the ceremony.

The couple were attended by Ethel Florence Lyle and James Wilard Haug.

After the marriage a reception was held at the home of Mr. and Mrs. Blain where a delicious lunch was served.

The couple were the recipients of many beautiful and useful gifts. They later left on a motor trip to Banff.

LESS NEWSPRINT SEEN FOR CANADIAN PAPERS

Canada has agreed to increase newsprint shipments to Argentina in return for greater supplies of vegetable oils from that country, it was learned recently from an authoritative government source. The "horse trade" between the two countries will mean a slight reduction in quotas of newsprint allocated to users in Canada and the United States.

REV. A.H. SCHWERMANN TO SPEAK AT LUTHERAN CHURCH

The Rev. A.H. Schwermann, B.A., B.E.D., D.D., principal and director of Concordia College, Edmonton, Alberta, will be guest speaker at the Lutheran services on Sunday, June 15. Services will be conducted at Westcott at 11 a.m., and at Didsbury at 2 p.m., at Redeemer Lutheran Church.

Concordia College is the only Lutheran College of the Missouri Synod in Canada. At this school, teaching a full high school course and two years of university, students are prepared for the office of the Holy Ministry or as parochial school teachers in the Lutheran Church. After completing their training at Edmonton the students for the Holy ministry go to Concordia Seminary, St. Louis, Mo., for the final training. Those entering the teaching profession go to either of the Lutheran Normal schools at Forest River, Illinois, or Seward, Nebraska.

HOW THE NEW AUTOMOBILE ACCIDENT INDEMNITY ACT (1947) AFFECTS YOU ?

Insurance is Not Compulsory, But Under the New Act

Your Driver's License Will Be Suspended

If you become involved in an automobile accident where someone is injured or killed, or damage to property exceeding \$25 is done, unless you can show proof of Financial Responsibility or that you have satisfied all claims.

PROOF OF FINANCIAL RESPONSIBILITY MEANS CASH OR SECURITY — A GUARANTEE BOND OR AN AUTOMOBILE INSURANCE POLICY

AUTOMOBILE PUBLIC LIABILITY AND PROPERTY DAMAGE INSURANCE

is the easiest and best way to prove Financial Responsibility, but it must be obtained before the accident.

DO NOT BE CONFUSED—The \$1.00 being collected by the Government from all automobile owners DOES NOT GIVE YOU INSURANCE PROTECTION. The money so raised is to be used by the Government as a fund for satisfying judgments where the injured party is unable to obtain compensation from the owner of the car causing the injury or damage. It will be known as the "Unsatisfied Judgment Fund."

NOTES FROM THE EAST

The Sunnyslope Sports Association will sponsor a dance at Keivler's lake hall on Friday, June 13. Music will be supplied by a Calgary orchestra.

On Friday last at the Lone Pine hall there was only a small crowd due to other dances being put on nearby. Nevertheless, those who did attend had a good time.

Miss L. Wright spent the week end with friends in Calgary and had plans of spending the holiday at Banff, which might not have matured.

Mrs. J. Odden and son, Ralph, and W. Robertson of Landline arrived last Thursday and are spending a few days with Mrs. Odden's daughter, Mrs. H. Shells, and family.

Mr. and Mrs. L. Pack (nee Beatrice Shells) and family spent their holiday in Didsbury and in visiting relatives from the east.

On Sunday afternoon Mrs. W. McCoy entertained a number of relatives and their friends. Those present included Mr. and Mrs. H. Shells and family, and their guests from Landline, Mr. and Mrs. Pack and family, Mr. and Mrs. Bruce Shells and family, and Mr. and Mrs. Jas. Shells. Bad roads and rain did not prevent a family get together.

Calgary visitors Saturday last were Mr. and Mrs. J. Odden and Ralph, Mrs. H. Shells and Mr. and Mrs. W. Coates.

Arthur Coates left Wednesday morning with his car and power shearing outfit for Wardlaw, where he expects to spend a month assisting his uncle, Jack Coates.

Mrs. Raymond Haynes spent Wednesday afternoon with Miss Hanna Neufeld.

Although the rain has interfered with holiday plans, it was badly needed, and very welcome for crops, pastures and gardens.

Miss Hanna Neufeld has been suddenly taken ill and it is expected that she will have to undergo an operation for appendicitis.

DIDSBURY HOSPITAL BOARD ADVOCATES BLOOD DONATION

The Board of the Didsbury Municipal Hospital welcomes the good news that the Red Cross Society plans to make available to the hospitals of Alberta supplies of whole blood and plasma, free of charge, to every patient in need of a transfusion. This project has the unqualified approval of the Alberta Hospitals Association, and we feel sure that it will prove a great boon and blessing to many patients in our own Didsbury hospital.

It is hoped that, in furtherance of the success of the scheme, the Blood Donor Enrolment Week, 15th to 21st of this month of June, will be most adequately fulfilled by the citizens of Didsbury and district.

THOS. MORRIS,
Chairman of the Board,
Didsbury Municipal Hospital.

PUBLIC NOTICE

Public Notice is hereby given that the following By-Law passed by the Town Council on June 2, 1947, will become effective July 1, 1947.

BY-LAW No. 538
A By-Law for regulating the Vendors of Milk within the Town of Didsbury

Under the authority of Section 245 of the Town and Village Act, the Mayor and Council of the Town of Didsbury in Council assembled, enacts as follows:

1. No person shall sell, offer for sale, or serve any fluid milk, as such, on the premises of any shop, store, restaurant or any other place of business in the Town, except in the original container, sealed or capped as such milk was received by the said person from a licensed vendor, but the seal or cap of any such container may be removed in the presence of the consumer, provided original container is for culinary use or for serving on cereal, or in tea or coffee or similar beverages.

Any person found guilty of a violation of this By-Law shall, upon Summary Conviction before a Justice of the Peace or Police Magistrate having jurisdiction, be liable to a fine of not less than five dollars and costs nor more than fifty dollars and costs, and if such fine and costs be not paid forthwith it shall be lawful for such Justice of the Peace or Police Magistrate to commit the offender to any common goal for any period, not exceeding thirty days, unless the fine and costs, including the costs of committal are sooner paid.

TOWN OF DIDSBURY

WESTERDALE NEWS NOTES

The rainy weather has interrupted the baseball schedule and the past two Sundays have been too wet to play. However, last Wednesday evening Westerdale played at Elkton where they defeated the Elkton team 7-6 in a 10 inning game.

The Westerdale school children took part in the track meet held at Harmattan last Friday.

Mrs. R. Devitt, Mr. and Mrs. B. Pross and Mrs. A. Grange, all of Didsbury, visited at the home of Mr. and Mrs. T. Bolton on Thursday last.

Mrs. T. Peters and Diane spent last week end at the home of her parents, Mr. and Mrs. Briggs of Innisfail. Diane will remain with her grandmother until the school term closes.

Arl Jones caught a 6½ pound pike in the Dog Pound on Sunday afternoon.

Mr. and Mrs. R. Devitt played bridge at the home of Mr. and Mrs. T. Bolton last Saturday evening.

The Westerdale ladies are busy making baseball suits for the Westerdale ball players. Forty-eight yards of material has been purchased for making twelve suits.

The Westerdale picnic will be held on July 2nd.

The Westerdale ball team will play at Sundre Wednesday evening of this week. Sundre will return the game this Sunday at Westerdale.
